Superintendent's Highlights

Our last school year was a great success and we are looking forward with great anticipation to a new one.

A highlight for this year was having our teaching staff perform so well on the Technology Competency test. Also, we received a Goals 2000 sub-grant for \$100,000 for a laptop for every teacher.

Progress Towards Meeting District Goals

1997-98 Goals

Progress

The new addition to the high school was completed within financial parameters set.

A teacher technology program was instituted. Well over half of the teaching staff have successfully completed the State Technology Proficiency Certification.

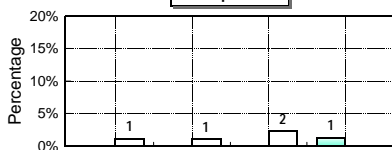

We have written a successful Goals 2000 sub-grant for \$100,000 so each teacher can have their own laptop. The math and history curriculum is complete.
